

D I A R I L - B N I E T

A meal at *Diar il-Bniet* means an honest, authentic and genuine meal. Our own farmlands provide much of the produce that goes into our food, which is why they're our pride and joy and we work hard to protect them. We've adopted zero waste principles throughout our production processes, and by sourcing ingredients from our own land, we reduce our food miles to a minimum. We believe in creating sustainable dishes that celebrate our Maltese heritage, while always tasting delicious, of course.

DINNER MENU

All dishes are prepared in an area where peanuts and other nuts are handled. Kindly let us know if you have a nut allergy or any other food allergies or intolerances. Thank you.
